

Date: 16/03/2021

Roll No. : 20BCE503

Name: Jaimik Chauhan

Course Code and Name: 2CS405 (Web Technologies)

Practical No.: 1

AIM:

- a. Design an HTML page using text level tags and block level tags.
- b. Design an HTML page using different types of lists to demonstrate nesting of the lists.

Code :

```
1. <html>
2.
3. <head>
4.     <title>First Practicle </title>
5.     <style>
6.         body {
7.             width: auto;
8.             height: 100%;
9.             background-color: antiquewhite;
10.            color: black;
11.        }
12.
13.        .headings {
14.            width: auto;
15.            height: fit-content;
16.            text-align: right;
17.            margin-bottom: 5%;
18.            border: 2px solid black;
19.        }
20.
21.        .headings p {
22.            text-align: center;
23.            margin: 2%;
24.            font-size: larger;
25.        }
26.
27.        .p-tag {
28.            width: auto;
29.            height: fit-content;
30.            padding: 2%;
31.            background-color: rgb(247, 225, 225);
```

```
32.         color: black;
33.         text-align: center;
34.         font-size: 24px;
35.     }
36.
37.     .p-tag b {
38.         font-size: 32px;
39.         font-weight: bold;
40.     }
41.
42.     footer {
43.
44.         text-align: center;
45.         width: auto;
46.         height: fit-content;
47.         background-color: black;
48.         color: white;
49.         margin-top: 10%;
50.         padding: 5px 5px;
51.     }
52.
53.     a:hover {
54.         color: red;
55.         text-decoration: overline;
56.     }
57.
58.     a:active {
59.         color: gray;
60.     }
61.
62.     a:visited {
63.         color: rgba(67, 78, 126, 0.534);
64.     }
65.
66.     a:link {
67.         color: blue;
68.         background-repeat: red;
69.         border: 2px solid blanchedalmond;
70.         text-decoration: none;
71.     }
72.
73.     h2#t1 {
74.         border: 2px solid black;
75.         height: fit-content;
76.         width: fit-content;
77.         padding: 1%;
78.     }
79.
80.     .vertical {
81.         height: fit-content;
82.         width: fit-content;
83.     }
```

```

84.
85.     header {
86.         text-align: center;
87.         font-size: larger;
88.     }
89.     </style>
90. </head>
91.
92. <body>
93.     <header>
94.         <h2>Practical-1</h2>
95.     </header>
